1 Grade 11 Credit Course	1 Grade 11 Credit Course

To acquire the minimum of two credited math courses every student must complete Mathematics 9 and Geometry, Measurement and Finance 10. Students have a choice of the following math pathways to earn the minimum two math credits for graduation:

Math Pathways

Choose a pathway	MINIMUM MATH GRADUATION REQUIREMENT	Optional Math Courses after Completing Minimum Requirement
Path A:	<ul style="list-style-type: none"> •Financial Math 110 (1 credit) •Financial Math 120 (1 credit) 	<p align="center">➔</p> No More Math Possibilities <i>[traditionally college entry route]</i>
Path B:	<ul style="list-style-type: none"> •Numbers, Relations and Functions 10 /FI Numbers, Relations and Functions 10(1 credit) •Financial Math 110 (1 credit) [traditionally college route] 	<p align="center">➔</p> Foundations Math 110/ FI Foundations Math 110 <i>[traditionally college entry route]</i>
Path C:	<ul style="list-style-type: none"> •Numbers, Relations and Functions 10 /FI Numbers, Relations and Functions 10(1 credit) •Foundations Math 110 /FI Foundations Math 110(1 credit) 	<p align="center">➔</p> Pre-Calculus 110, Pre-Calculus 120A, Pre-Calculus 120B Calculus 120 <i>[traditionally college or university entry route]</i>

CHOOSE ONE GRADE 11 ELECTIVE COURSE & TWO ALTERNATES. (P=Prerequisite Course)

Grade 11 Elective Courses	Elective	1 st Alternate	2 nd Alternate
Biology 111			
Biology 112			
Chemistry 111			
Chemistry 112			
Computer Aided Design 110			
Fine Arts (Creative Arts) 110			
Culinary Tech 110			
Early Child Serv 110			
Entrepreneurship 110			
Financial Workplace Math 110			
Foundations Math 110			
Graphic Art and Design 110			
Hospitality and Tourism 110			
Human Physiology 110			
Introduction to Applied Tech 110			
Mandarin (Chinese) 110			
Modern History 112			
Music 112			
Visual Arts 110			
Wellness through PE 110			
Writing 110			

French Immersion (FI) courses taken in grade 10 DO NOT count towards the 5 credits needed for the grade 12 French Certificate.

It is extremely important that you **choose your courses carefully** based on your future plans and interests. We will do our best to fill your requests, however, course conflicts may occur. As a result, it is **critical that alternate selections be made.**
